Wind Farm Project

Toftingall

Date

9/2/23

Your opinion is important to us. We would appreciate you taking a moment to complete the following questionnaire so we can find out more about your views on the wind farm proposal this exhibition is all about. The aim of this questionnaire is to allow individuals to contribute to the development process and interact with Infinergy. This is not a substitute for the official planning process. No personal information will be passed on to third parties.

### 1. What are your views on the use of renewable energy to help meet our energy requirements?

(onshore and offshore wind power, solar power, biomass, wave and tidal power, amongst others)

Very Supportive  Supportive  Undecided  Opposed  Very opposed

### 2. What are your views on the use of wind energy in particular to help meet our energy requirements?

Very Supportive  Supportive  Undecided  Opposed  Very opposed

### 3a. How do you feel about the Toftingall Wind Farm proposal?

Very Supportive  Supportive  Undecided  Opposed  Very opposed

### 3b. Why do you hold this view? Please state

The area is already saturated with turbines

### 4. How close do you live to the proposed wind farm site?

Within 1 kilometre (0.6 miles)  Between 1 and 5 kilometres (3.1 miles)  Further away than 5 kilometres (3.1 miles)

### 5a. To develop this wind farm, Infinergy has conducted a range of surveys that assess the current situation on site and the potential impact of the proposed project. Are there any specific elements of the proposal that you are interested in and would like to be updated about?

Please tick the issue that interests you most. If more than one issue, please enter them in the box at question 5b.

No  How the wind farm might look  Electricity output - homes powered  
 Yes  Local wildlife  Site traffic during construction  
Please select one  Potential noise from the turbines  CO<sub>2</sub> savings  
 Tourism  Local archaeology\*  
 Other (please state)  Potential economic benefits from the project

damage to potential peatland  
what will happen to forestry in the area

\*By this we mean any effects the wind farm might have on remains of historical value, either above or under the ground

5b. If you have any further interests, please state below:

affects to human health  
" to local house values  
why here when Halsary windfarm is  
mostly switched off?

6. How did you first learn about the project?

- Word of mouth     Newsletter  
 Google or other search engine     Newspapers     Radio     TV  
 (Invitation for) Public Exhibition  
 Other (please state)

7. Please use the area below to ask a specific question or comment on the Wind Farm proposal.

Do you as a company actually  
take any notice of what is written  
by local people in these forms/  
questionnaire?

8. If you would like us to respond to any of the comments you have made or questions you have asked in this questionnaire, please indicate here and, if required, we will get back to you shortly. Please make sure your details are clearly legible on the front of this form.

Wind Farm Project Toftingau Date 09-02-23

Your opinion is important to us. We would appreciate you taking a moment to complete the following questionnaire so we can find out more about your views on the wind farm proposal this exhibition is all about. The aim of this questionnaire is to allow individuals to contribute to the development process and interact with Infinergy. This is not a substitute for the official planning process. No personal information will be passed on to third parties.

1. What are your views on the use of renewable energy to help meet our energy requirements? (onshore and offshore wind power, solar power, biomass, wave and tidal power, amongst others)

Very Supportive  Supportive  Undecided  Opposed  Very opposed

2. What are your views on the use of wind energy in particular to help meet our energy requirements?

Very Supportive  Supportive  Undecided  Opposed  Very opposed

3a. How do you feel about the Toftingau Wind Farm proposal?

Very Supportive  Supportive  Undecided  Opposed  Very opposed

3b. Why do you hold this view? Please state

This area of Caithness is OVER SATURATED with turbines. WE DO NOT WANT ANYMORE! They have huge visual impact and noise impact.

4. How close do you live to the proposed wind farm site?

Within 1 kilometre (0.6 miles)  Between 1 and 5 kilometres (3.1 miles)  Further away than 5 kilometres (3.1 miles)

5a. To develop this wind farm, Infinergy has conducted a range of surveys that assess the current situation on site and the potential impact of the proposed project. Are there any specific elements of the proposal that you are interested in and would like to be updated about?

Please tick the issue that interests you most. If more than one issue, please enter them in the box at question 5b.

No  Yes  
Please select one

<input checked="" type="checkbox"/> How the wind farm might look	<input checked="" type="checkbox"/> Electricity output - homes powered
<input checked="" type="checkbox"/> Local wildlife	<input checked="" type="checkbox"/> Site traffic during construction
<input checked="" type="checkbox"/> Potential noise from the turbines	<input checked="" type="checkbox"/> CO <sub>2</sub> savings
<input checked="" type="checkbox"/> Tourism	<input checked="" type="checkbox"/> Local archaeology*
<input checked="" type="checkbox"/> Other (please state)	<input checked="" type="checkbox"/> Potential economic benefits from the project

Pollution during construction, manufacture and operation including new found data that particles chip off the blades and go into the soil.

\*By this we mean any effects the wind farm might have on remains of historical value, either above or under the ground

5b. If you have any further interests, please state below:

Health impact on people, wildlife and livestock,  
 Detrimental effect on our home property values,  
 Ultra Low Frequency effects on our properties and our bodies.  
 Why here?  
 What happens at the end of turbine lifespan?  
 Carbon costs in manufacture, construction and operation.  
 effects on our ever-important peatland.  
 Would you expand after initial construction?

6. How did you first learn about the project?

- Word of mouth       Newsletter  
 Google or other search engine       Newspapers       Radio       TV  
 (Invitation for) Public Exhibition  
 Other (please state)

7. Please use the area below to ask a specific question or comment on the Wind Farm proposal.

How can you justify the 'need' for more turbines when we are at full capacity here and are over saturated with them?      Scotland already meets its demand!!  
 WE DO NOT WANT ANYMORE.  
 STOP RUINING OUR COUNTY, OUR HOMES, OUR WELLBEING AND OUR LIVELIHOODS.  
 STAY AWAY FROM OUR BEAUTIFUL, HISTORIC LAND!

8. If you would like us to respond to any of the comments you have made or questions you have asked in this questionnaire, please indicate here and, if required, we will get back to you shortly. Please make sure your details are clearly legible on the front of this form.

- Response wanted      by email please.  
 No response wanted

Do you, as a company, take into consideration what people have voiced to you at public meetings and through these forms?

# Voice Your Opinion

Renewable Energy Project COASTING, ALL BATT. STORAGE Date 15/3/2023

Your opinion is important to us. We would appreciate you taking a moment to complete the following questionnaire so we can find out more about your views on the proposal this exhibition is all about. The aim of this questionnaire is to allow individuals to contribute to the development process and interact with Boralex. This is not a substitute for the official planning process. No personal information will be passed on to third parties.

1. What are your views on the use of renewable energy to help meet our energy requirements?  
(onshore and offshore wind power, solar power, biomass, wave and tidal power, amongst others)
- Very Supportive     Supportive     Undecided     Opposed     Very opposed
2. What are your views on the use of battery storage to help manage our renewable energy generation?
- Very Supportive     Supportive     Undecided     Opposed     Very opposed
- 3a. How do you feel about this battery storage proposal?
- Very Supportive     Supportive     Undecided     Opposed     Very opposed

3b. Why do you hold this view? Please state:

Worried about the trend to get consent and then changing plans afterwards.

4. How close do you live to the proposed battery storage site?
- Within 1 kilometre (0.6 miles)     Between 1 and 5 kilometres (3.1 miles)     Further away than 5 kilometres (3.1 miles)
5. To develop this project, we have conducted a range of surveys that assess the current situation on site and the potential impact of the proposal. Are there any specific elements of the proposal that you are interested in and would like to be updated about?

Please select Yes or No and then tick the issues that interest you most:

- |   |  |   |
|---|--|---|
| <input checked="" type="checkbox"/> No  | <input type="checkbox"/> How the project might look        | <input type="checkbox"/> Tourism impacts                  |
| <input checked="" type="checkbox"/> Yes | <input checked="" type="checkbox"/> Local wildlife         | <input type="checkbox"/> Site traffic during construction |
|   | <input type="checkbox"/> Potential noise from the proposal | <input type="checkbox"/> Safety                           |
|   | <input type="checkbox"/> Other (please state below)        |   |

6. If you have any further interests, please state below:

7. How did you first learn about the project?

- Word of mouth       Postcard  
 Google or other search engine       Newspaper advert       Newspaper article       Social media  
 (Invitation for) Public Exhibition  
 Other (please state)

Saw an anemometer mast appear at Teftingall.

8. Please use the area below to ask a specific question or comment on the proposal.

Project manager at written visit was pleasant & informative - Thank you.

9. If you would like us to respond to any of the comments you have made or questions you have asked in this questionnaire, please indicate here and, if required, we will get back to you shortly.
